SHAKE WELL BEFORE USING		

GENERAL INFORMATION
ERGER G is a foliar applied fertilizer formulated to be used with Calcium Nitrate fertilizer solutions for foliar application to grape vines, apple and cherry trees in areas where environmental conditions are less than optimum for flower and fruit development.

APPLICATION INSTRUCTIONS
for FOLIAR SPRAY APPLICATION:

CROP	Erger G (% w/w of Solution)	Calcium Nitrate (% w/w of Solution)	CAN 17 or (% w/w of Solution)	Water Plus PRODUCT (Gallons)	Timing (Days Before Bud Break)
APPLES	6	10	6	95 - 200	55 - 65
CHERRIES	7	10	6	95 - 200	40 - 50
TABLE GRAPES	8	20	11	50 - 70	55 - 65
WINE GRAPES	8	20	11	50 - 70	55 - 65

CAUTION: PLEASE KEEP OUT OF REACH OF CHILDREN.
Harmful if swallowed. Avoid breathing spray mist. May cause irritation of nose, throat or skin.
Avoid contact with eyes, skin and clothing.

WARNING

- Do not mix this product with insecticides, fungicides, herbicides, plant growth regulators, Adjuvant, Non Ionic Surfactant or with any fertilizers other than Calcium Nitrate or CAN 17.
- Do not apply ERGER G on trees and vines that are less than 3 years old or that are in poor nutritional health.
- Do not use ERGER G in combination with registered petroleum spray oils or other organic nitrogen compounds.
- Do not use ERGER G within 30 days of using registered petroleum spray oils or organic nitrogen compounds.
- Applying ERGER G within the prescribed time period reduces risk of phytotoxicity and variable product performance.
- Avoid drift to neighboring sensitive crops.
- Do not use Zinc or Copper in combination with ERGERG.
- Do not apply ERGER G 30 days before or after a zinc or copper application.

CLEANING OF SPRAYER

Flush with clean water all parts of the sprayer including the pump, hoses, and nozzles several times prior to and after the use of this product.

DIRECTIONS FOR MIXING

Liquid products will disperse in water with little agitation. Any residue in pails is water-soluble. Triple rinse and add contents to the spray tank. Do not reuse container. The indicated Erger G dosage and water must be applied as a total solution. As an example, if applying a 70 gallon per acre mix to grapes, the total mix will contain 4.9 gallons of Erger G and 116.7 pounds of Calcium Nitrate along with the precise amount of water to bring the total volume to 70 gallons per acre.

STORAGE INSTRUCTIONS

ERGER G is a fertilizer with low corrosivity. It is recommended that ERGER G be stored in fiberglass polyethylene, or polyolefin. Do not stack pallets

PRECAUTIONS

As required by emergency situation, use an OSHA or NIOSH approved respirator. Use this product in a well-ventilated area. Use rubber gloves. Use splash-proof eye goggles. In emergency situation wear a full-face shield. Eye-wash should be available at all times. Wear clothing that covers exposed skin and wash after application. Wash skin thoroughly after handling. All parties working with and/or applying ERGER G products must review the ERGER G Technical Bulletins for specific mixing instructions and precautionary statements. For additional information refer to Technical Bulletin.

Condition Of Sales

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with direction under normal condition and use. No one other than an office of the seller is authorized to make any warranty, guaranty or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price. It is impossible to eliminate all risks associated with the use of this product. Crop injury, lack of performance, all other unintended consequences may result because of such factors as use of the product contrary to label instruction, abnormal condition, presence of other material, the manner of application, or other factors, all of which are beyond the control of Nutrecology or the seller. All such risks shall be assumed by buyer.

FOR BEST RESULTS

Follow the Supplemental Nutritional Program that contains MEGAFOL as recommended by your local Nutrecology dealer.
